**ORDER**

Pending before the Court is the Motion for Detention Hearing and Motion for the Court to Set Conditions of Pre-trial Release [# 23]. Defendant has been accepted into a drug treatment program. Defendant now asks the Court to hold a hearing and allow for the transfer of Defendant to the treatment program. The motion, however, has not provided a date of when Defendant could go into treatment.

Therefore, the Court **DENIES** the motion [# 23] without prejudice. Defendant may refile the motion including the date on which Defendant can go into treatment.

Signed: December 20, 2017

United States Magistrate Judge
